

Mini Spot Landing

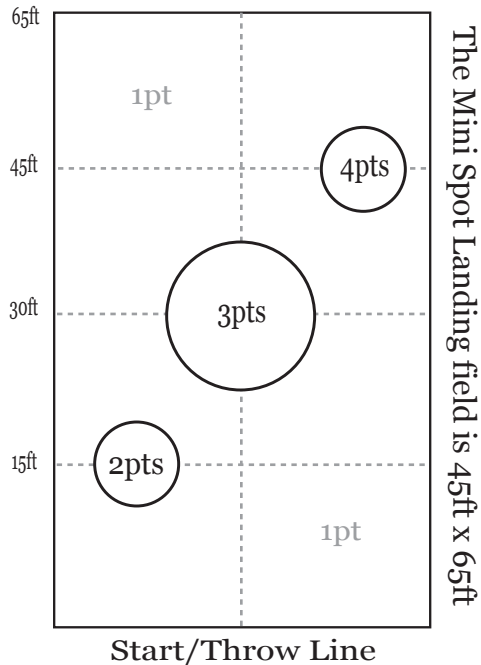

Land on the Spots!

One Disc, One Dog, One Handler, One Minute!

Teams will have 60 seconds to complete as many tosses as possible. Only successful catches will be counted towards your score. Any catch made outside the Spots but inside the field, will be scored one point. A toss with a Foot Fault will not be scored.

- Spot Centered on 15ft line = 2pts
- Spot Centered on 30ft line = 3pts
- Spot Centered on 45ft line = 4pts

Dog must start behind the line. Handler may retrieve the disc, but must throw from behind the start line. All scores are final, Judges Call. One Paw in the Spot to be scored.

Mini Toss-n-Fetch

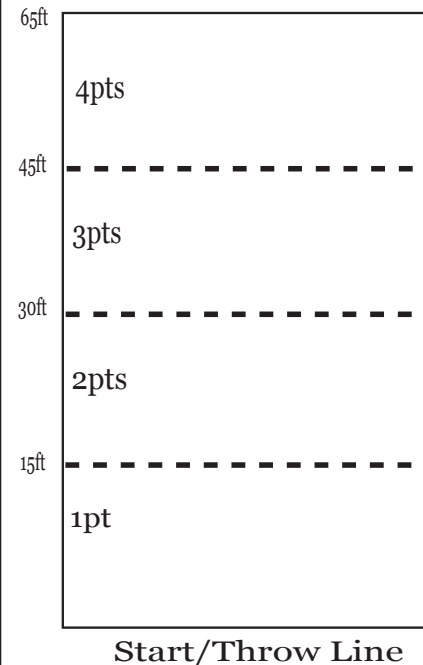

The object of Toss-n-Fetch, is just that!

One handler, One Dog, One Disc, One Minute!

Handler tosses the disc and canine fetches it! Teams have One Minute to gain points. The field is marked every 15ft, with the last zone being 20ft long. Toss as many times as you can until time is called.

- 0-15ft = 1pt
- 15-30ft = 2pts
- 30ft-45ft = 3pts
- 45ft-65ft = 4pts

The Mini Toss-n-Fetch field is 45ft x 65ft

Times Starts on Timers Call, Dog must start behind the line. The Timer will call 30 secs remaining and 10secs with a 5 sec countdown. Handler may retrieve the disc, but must throw from behind the start line. All scores are final, Judges Call. Catch is measured from the leading edge of the disc, and where the Front Two Paws land. A toss will be scored if released before time is called. Only successful catches will be scored. A toss with a Foot Fault will not be scored. Please ask if you have any questions!
